

Jumper & Jack

Pinotage

2023

ENVIRONMENT

Jumper & Jack is inspired by Africa's extraordinary wildlife and the landscapes they inhabit. The brand promotes awareness around the protection of wildlife and the preservation of their natural habitats. Through responsible farming and environmental stewardship, Jumper & Jack celebrates the delicate balance between agriculture, nature and biodiversity — helping ensure these wild places endure for generations to come.

GENERAL NOTES

Jumper & Jack celebrates life's adventurous crossings – moments where curiosity and instinct lead the way. Inspired by the wild landscapes and remarkable wildlife of Southern Africa, these wines reflect a spirit of exploration and respect for nature. This Pinotage captures the vibrant character and unique heritage of South Africa's signature red grape, expressing bright fruit and the warmth of the country's sunshine.

IN THE VINEYARDS

The grapes are sourced from selected vineyards in the Cape Coastal region where warm days and cooling evening breezes allow the fruit to ripen slowly and evenly. These conditions encourage balanced ripeness, fresh acidity and vibrant fruit expression while preserving harmony in the vineyard.

VINIFICATION

The grapes are harvested at optimal ripeness and gently destemmed before fermentation in stainless steel tanks. Careful extraction during fermentation enhances colour, fruit purity and structure. A portion of the wine is matured with subtle oak influence to add balance while allowing the bright, fruit-driven character of Pinotage to remain the focus.

TASTING NOTES

Bright and inviting, this Pinotage shows aromas of red berries, ripe strawberry and juicy plum, complemented by hints of raspberry and cherry. The palate is smooth and vibrant with fresh red fruit, soft tannins and a lively finish that reflects the warmth and sunshine of South Africa's vineyards.

Varieties:	Pinotage 100%
Residual sugar: 2.89 g/L	pH: 3.61
Alcohol: 14.0 % Vol	TA 5.4 g/L
Winemaker	Tertius Boshoff
Assistant Winemaker	Herman Du Preez
